

Buckland Finance Committee Minutes
January 14, 2016

Meeting called to order at Buckland Town Hall at 7:04 p.m.

Committee members present: Paula Consolo, Ben Murray, Michael Turley, Karen Blom, Cynthia Caporaso.

Discussion

Whether the committee would support the purchase of the Mayhew Steel building for use as a town highway garage.

Dean Willmore, Andrea Llamas, Kevin Fox arrived at 7:12 and told us that the state had certified a study that Mayhew had done saying that there were no environmental issues on the site. With the purchase, the town would take on the liability for the site, but the selectboard said that the risk was minimal considering the state is currently saying that the site is clean. Mayhew had reduced the price of the building to \$325,000.

Karen moved that the Finance Committee vote in favor of the articles supporting the purchase. Michael seconded. Unanimously approved.

Meeting adjourned 7:20 p.m.

Meeting followed by Special Town Meeting at 7:30 p.m. to vote on the purchase.

Respectfully submitted by Paula Consolo
