Meeting

Mr. Del Castilho opened the meeting at 5:30 p.m.

Appointments

Sewer Commissioners - FY23 Sewer Warrant - Ms. Leach explained that the Select Board had previously signed off on the sewer rate, and now must sign the warrant to complete the process. Mr. Phillips moved to sign the FY23 Sewer Warrant in the amount of one hundred eighty thousand, nine hundred and seventy three dollars and thirty five cents. Mr. Wells seconded the motion; vote in favor was unanimous.

Agenda Items**Town Election - Annual Town Election, June 6th -**

> Constable vs Police Officer - Town Clerk, Karen Blom, wished to have a final decision made by the Select Board as to whether a Constable can work the election or if it has to be a police officer. She anticipates that the constables will be asking and she wants to be able to say it was a Board decision. Mr. Phillips stated he spoke with Chief Bardwell; since constables have fallen victim to police reform, both Mr. Phillips and the Chief recommend using police officers to cover the June 6th election, and Chief Bardwell has two officers scheduled for coverage. Discussion followed on constable positions, elected vs appointed, and new police reform training requirements. The cost of police coverage was also discussed and although officers will receive detail pay, every effort will be made to not charge the election budget at that rate. No vote was taken.

> Talking Points for Override Ballot Question - Mr. Del Castilho prepared a statement on behalf of the Board regarding the Proposition 2 1/2 Override Ballot question. He presented the statement to Board members, stating he had edited to avoid crossing the line into advocacy; Ms. Butler agreed he had accomplished that goal. Mr. Phillips moved to accept the statement written by Mr. Del Castilho as the Select Board's statement, seconded by Mr. Wells. Vote in favor of the motion was unanimous.

Shared Police Services Inter-municipal Agreement -

Brief discussion addressed the inter-municipal agreement and history of the Buckland Police Department which according to archives dates to 1901. Suggestion was made that perhaps a commemorative patch might be designed to honor that history. Mr. Del Castilho moved to sign the Shared Police Services Inter-municipal Agreement, seconded by Mr. Wells. Mr. Phillips commented on what an outstanding job the committee did throughout the process which culminated in the agreement. Vote in favor of the motion was unanimous.

Public Safety Committee Recommendations

> Speed Limits on North Street - A list of signatures of upper North Street residents was submitted requesting to lower the speed limit to 25 MPH. Discussion followed regarding procedure, and traffic flow in North Street. Mr. Wells moved to reduce to 25 MPH the speed limit on North Street, from Rt. 112 to the posted 20 MPH speed limit area of North Street. Mr. Del Castilho seconded the motion and vote in favor was unanimous.

> Street Lighting - Ms. Butler stated that anyone still wanting a shield for the new LED streetlights to please submit/re-submit their request.

Documents to Sign

Contract & Grant Documents

> Pavilion Rental Agreement - Cynthia Schwartz and Pamela Guyette gave a presentation regarding revised/updated Recreation Area Pavilion rental application procedures, including general rules and conditions, fees, and insurance/special licensing & permits. Ms. Guyette gave an informative and comprehensive overview of the research done to arrive at the new regulations, with an emphasis on the need for liability insurance coverage. Discussion followed covering other facets of pavilion use: trash, recycling, alcohol liability, signage, policing the area, and security deposits. One and two million dollar liability insurance coverage was decided upon for pavilion rental. No vote was necessary or taken.

Ms. Schwartz updated the Board on the status of the construction project stating that the pool deck was going in the day of this meeting, tiling is complete, siding of pool house and epoxy floor are half done, and filling of the pool is scheduled. It was suggested that the end of the week of June 4 would be a good opportunity for Board members to attend a pool/contractor meeting, visit the project site, and view the progress first hand.

> Permits & Licenses

St. Joseph Parish Tag Sale - See motion below.

Hat & Sock Memorial Day Parade Permit (retro) - See motion below.

Summer Day on the Buckland Common - See motion below.

Mr. Phillips moved to sign all above permits and licenses, seconded by Mr. Wells. Vote in favor of the motion was unanimous. All permits/licenses approved.

> Minutes & Warrants

April 25 and May 16 , 2023 Meeting Minutes - Not available, No action.

May 23, 2023 Accounts Payable Warrant, May 23, 2023 Payroll Warrant - Mr. Phillips moved to approve the May 23, 2023 Accounts Payable and Payroll Warrants, seconded by Mr. Wells. Vote in favor of the motion was unanimous.

Items Not Reasonably Anticipated by Chair 48 Hours in Advance of Meeting -

There were no items not reasonably anticipated.

Select Board Member Concerns - There were no Select Board member concerns expressed.

Town Administrator's Report - Ms. Butler reviewed for the Board the One Stop Development Grant Program, its function, and the projects Buckland had submitted for consideration. Of the projects remaining (brown fields project did not qualify) Ms. Butler advised advancing the Charlemont Road and Salt Shed projects. Grant applications are due by Friday, June 2, 2023 at 11:59 p.m. Mr. Phillips moved to approve the Chair to sign said grant applications by the deadline Friday, seconded by Mr. Wells. Vote in favor of the motion was unanimous.

Ms. Butler also stated that the Bicycle Park committee had submitted a letter of support for signature by the Board for a grant by T-Mobile. Ms. Butler recommended that they return to the Board for review as they have continued to accrue funding for their project.

Public Comment - Joan Livingston asked if there are plans to re-paint the crosswalk in front of McCuskers Market. Ms. Butler replied that yes, there are.

Volunteer Recognition - Recognition was given to all Memorial Day parade and celebration organizers and participants. Mr. Del Castilho stated that it was heartwarming to see the attendance and participation.

Announcements & Upcoming Meetings - Annual Town Election, June 6, 2023; Select Board Meetings June 13 and June 27, 2023; Ice Cream Social hosted by Council on Aging, June 14, 2023 at 2:30 p.m. in alleyway next to Town Hall.

With no further business or announcements, Mr. Phillips moved to adjourn, seconded by Mr. Wells. Vote in favor of the motion was unanimous. Meeting adjourned at 6:29 p.m.

Respectfully Submitted by Mary Bolduc, Select Board Clerk, June 13, 2023

BUCKLAND SELECT BOARD STATEMENT ON JUNE 6th OVERRIDE BALLOT QUESTION

Revised (BD 5/30/23) to avoid crossing the line into advocacy.

Final proposal on pages 3 and 4.

The Override

At the Annual Town Meeting on May 6th, the taxpayers of Buckland approved by a wide margin a budget for Fiscal Year 2024, as recommended by the Finance Committee and Select Board. That budget contains a deficit, that is, it requires more property tax support than is allowed within the limit of so-called Proposition 2½, which is a two and one-half percent increase in the property tax levy. By law, a community cannot budget a deficit in excess of that limit without voter approval.

As a result, the vote at Buckland's Annual Town Meeting to approve the budget requires a ballot question for a vote by the registered voters of the Town at the Annual Town Election on June 6th. This question asks whether or not to approve an override of Proposition 2½ to assess an additional \$151,262 in real estate and personal property taxes for the purpose of funding Buckland's operating budget for FY24.

Background

Buckland, like so many towns in Western Massachusetts, emerged from the pandemic only to be hit by the combination of higher costs due to inflation, continued flat growth in revenues, and new State mandates that come with increased costs. This came on top of our history of many years during which Buckland was able to hold the line on property taxes (which comprise 88% of its revenues) within Proposition 2½ by relying on state aid and new growth to cover our expense increases. Finally, as new growth continued to be modest and proposed increases in vitally needed State aid to rural towns like Buckland have not happened, Buckland can no longer hold the line. Increased costs and relatively flat growth in revenues over the past several years has meant limiting Buckland's investments in personnel and infrastructure, a difficult annual financial balancing act which has meant pushing back on requests for needed increases in funding for Town services. **As a result** ~~To provide necessary and overdue increases in funding for the provision of essential services,~~ Buckland's Fiscal Year 2024 budget finally contained a deficit of \$151,262.

The Budget

Three areas of increased expenses are worth noting. First Town Meeting voted to change Buckland's police services. In order to meet the requirements of police reform and provide more consistent coverage, the Town approved a shared services model with the Town of Shelburne, one in which Buckland will be assessed a portion of the total two-town police cost, or \$334,264. If this shared services model had not been approved by Town Meeting, the projected cost for a Buckland Police Department to meet the requirements of police reform would have been about \$30,000 more than the shared policing model, and it would have provided less coverage.

Town Meeting also voted to increase the Town's Public Works budget to reflect the costs of fully staffing the department and the increased costs of supplies and equipment. This key department has been understaffed for many years, and the Town has paid the price through less well-maintained roads and equipment.

Town Meeting also voted to increase the budget to reflect the increased costs of building maintenance, an increase in the disposal of solid waste, a dramatic increase in cyber security insurance, an increase in recreation expenses with the reopening of the swimming pool,

and an increase in salary expenses. Buckland has a good team in place, ~~we must ensure that we can continue to attract and retain the best talent available~~ **and hopes to sustain it** in a tight, competitive labor market

The Basic Choice

The approved budget, with its deficit condition, has presented the voters of Buckland with a difficult choice to make at the polls on June 6th:

- On the one hand, should the Town preserve the delivery of important services by approving a Proposition 2½ override to cover the budget deficit?
- Or should the Town instead balance the budget by making **significant** ~~dramatic~~ cuts to Town services **and personnel**?

If approved on June 6th, the override of Proposition 2½ for \$151,262 would result in an increase in the tax rate, which based on last year's numbers and looking at the all the factors for this year, is estimated to be about \$0.55 per \$1,000 of value.

If voters don't pass the override on June 6th, the Finance Committee will go back to the drawing board and prepare a budget for Fiscal Year 2024 that will be balanced by making ~~significant~~ cuts in Town services and personnel, in the amount of \$151,262. That revised budget would then have to be voted on at a Special Town Meeting called for that purpose.
